

AUGUST 10 & 11, 2019 - NYC OPEN & ARGOSY ROSE BOWL

LORC National Yacht Club Open is poised to be the best value regatta both on the water and the docks. Our unique event offers the NYC course racing Saturday and the Argosy Rose Bowl distance race on Sunday, which will run in conjunction with the AHMEN series.

All classes are welcome including IRC, PHRF and One Design fleets.

The [National Yacht Club](#) boasts a very successful racing program with Dingy, One Design, PHRF and Off Shore champions that actively keep their game on, racing three nights a week throughout the season. This is an opportunity for all you that race mid-week at NYC to have some fun competing interclub racers on your home turf. The post racing Lawn Party with live entertainment, barbeque and games has been a crowd favorite for years!

Registration for the **Saturday, August 10th** [LORC NYC OPEN](#) is now available – sign up today for this packed day of course racing! For those interested in the **Sunday, August 11th** distance race we've partnered again this year with the AHMEN/[Argosy Rose Bowl](#) (register separately for each event).

Again this year this will be the best value regatta on the lake, with a \$60 entry fee for Saturday and complimentary racing on Sunday. We look forward to seeing everyone there!

[Lake Ontario Racing Council](#) (LORC) coordinates a series of open regattas between sailing clubs on Lake Ontario to bring regional sailors together for friendly competition and camaraderie.

[AHMEN RACING](#) is a six day-long series of six Saturday or Sunday races, which begins on August 11, 2019 and is completed on September 29, 2019 that start and finish in Humber Bay. Ten clubs co-host this inter-club series of racing around selected fixed marks in Humber Bay and T1 (green); the latter is the eastern approach to Toronto Harbour.
